

User Stories

Player

1. As a player, I want to search for available matches so that I can find and join a game near me.
2. As a player, I want to filter matches by location, time, and skill level so that I can find a game that suits my preferences.
3. As a player, I want to join a match instantly so that I can secure my spot in a game.
4. As a player, I want to track my past matches and stats so that I can review my playing history.
5. As a player, I want to receive reminders for upcoming matches so that I don't forget my scheduled games.
6. As a player, I want to report inappropriate behavior or unfair play so that I can help maintain a fair and safe community.

Team Organizer (Player)

7. As a team organizer, I want to create a match so that I can invite players and set up a game.
8. As a team organizer, I want to specify the number of players needed so that I can track team composition.
9. As a team organizer, I want to invite specific players so that I can build a well-balanced team.
10. As a team organizer, I want to receive notifications when my match is full so that I know when the game is ready.
11. As a team organizer, I want to assign a referee to my match so that we have an official to enforce the rules.

Referee

12. As a referee, I want to search for matches that need a referee so that I can find games to officiate.
13. As a referee, I want to see match details before accepting a job so that I can choose games that fit my schedule and expertise.
14. As a referee, I want to receive match confirmations and notifications so that I stay informed about my assigned games.
15. As a referee, I want to update the match results so that players can review scores and outcomes.
16. As a referee, I want to report rule violations or misconduct so that I can maintain fairness in the game.
17. As a referee, I want to track my past officiated matches so that I can review my refereeing history.

General

18. As a user, I want to edit my profile (name, contact info, skill level, etc.) so that my information stays up to date.
19. As a user, I want to log in using social media or email so that I can access my account easily.
20. As a user, I want to reset my password in case I forget it.
21. As a user, I want to contact customer support in case I need help using the system.
22. As a user, I want to report technical issues or bugs so that developers can fix them.
